Good Food, Good Speaker Makes Nov. Luncheon a Success

Minimize Your Tax Burden was a Successful Luncheon Event!

On November 17th, the Chamber met at [La Cashina Restaurant](#) for a networking luncheon and discussion led by CPA, Anthony Mezzasalma called

"Minimize Your Tax Burden Before Year's End". While we all enjoyed a delicious meal, Anthony presented some great tax strategies that included understanding what revenues could be beneficial to claim in this calendar year and what expenses could be included in the next calendar year.

The advice was quite useful and spurred much dialog from those in attendance. Several people also won a nice umbrella courtesy of [Mezzasalma Advisors and CPAs](#). Thank you to Anthony for speaking on such an important and timely topic. We appreciated the time and effort given for the presentation as well as the time taken to provide us with handouts.

After all the guests introduced themselves and their businesses, the owner of La Cashina, Tony also took some time to come out talk to us about specials and events coming up at the restaurant.

Our next gathering will be held at [The Court Jester](#), Aberdeen on Tuesday evening, December 15th at 6pm for our Holiday Happy Hour with the Rotary Club. The event is free. Appetizers provided courtesy of The Court Jester. We just ask that everyone please bring some canned food for the food pantry.
